### **The Registrar General's Department Has Now Resumed Operations at Our New Location – the AGLA Tower, Government Plaza, Port of Spain**

The Ministry of the Attorney General and Legal Affairs now invites the public to visit the New Location of the Registrar General's Department Port of Spain Office as all services, with the exception of manual searching of the records, have resumed.

Service hours are from 8:00 a.m. to 4:15 p.m. from Monday to Thursday and 8:00 a.m. to 4:00 p.m. on Fridays, with Cashiers closing at 3:00 p.m. daily. There will be no numbering system to enter the building as we aim to provide a customer-friendly service experience and environment. We therefore discourage users from arriving before the opening time of service as the AGLA does not provide internal or external accommodation outside the hours of service. In addition, we would like to ensure the safety and security of all users whilst on AGLA premises.

The AGLA Tower is one of the buildings within the Government Plaza located on the Corner of London and Richmond Streets, Port of Spain. Public Entrance to the building is to the front of the building, right of the Government Plaza Auditorium.

All Visitors/ Users of AGLA Services are reminded that a Government agency dress-code is in full effect thus Visitors shall dress in attire that is not offensive to others nor displays inappropriate or obscene messages or pictures that may contain signs or symbols of gangs or groups that are a threat to security.

Visitor Parking may be accessed via the Parkade located on Edward Street, Port of Spain, as there is to be absolutely no parking to the front nor the Richmond Street side of the building without security approval.
